4 Types of Stones Used

The power of a money magnet bracelet lies in the combination of four potent natural healing stones:Money Magnet Bracelet – Dhan Yog Bracelet

Pyrite

- Often called "Fool's Gold," Pyrite is known for attracting wealth and abundance.
- Boosts confidence, leadership, and financial courage.
- Protects against negative energies that can interfere with prosperity.

Citrine

- Known as the "Merchant's Stone," Citrine is famous for wealth manifestation and financial growth.
- Enhances optimism, creativity, and abundance mindset.
- Clears blockages and encourages opportunities to flow naturally.

Tiger Eye

- Tiger Eye is a grounding stone that balances emotions and improves focus.
- Encourages determination, willpower, and resilience in financial endeavors.
- Helps in making practical decisions and avoiding impulsive financial mistakes.

Green Aventurine

- Called the “Stone of Opportunity,” it is believed to attract luck, growth, and prosperity.
- Promotes new ventures, career advancements, and financial opportunities.
- Helps maintain balance in personal and professional life.

How to Wear Your Money Magnet Bracelet

1. **Wear it on your left wrist** — energy flows into your body through the left side.

2. **Set clear intentions**: Focus on your wealth goals and visualize abundance while wearing the bracelet.

3. **Cleanse regularly:** Remove accumulated negative energies by exposing it to sunlight, moonlight, or natural cleansing techniques.

4. **Avoid excessive exposure to water or sleep:** Stones maintain their energy best when treated with care.

5. **Use consistently:** Wearing it daily helps align your intentions with universal energy and improves financial manifestation.
